

# Corpus Christi College Groups & Clubs

## APPLICATION TO CREATE A NEW GROUP / CLUB

Student clubs bring together students of similar interests to get involved on-campus, and throughout the community. Joining a group or club is an easy way to meet new people and networks; develop your skills and co-curricular record; and more!

All students enrolled at Corpus Christi College are eligible to create a new campus group or club through consultation with the Campus Life and Ministry Office. To create a new group or club:

1. Visit Corpus Christi College 'Groups and Clubs' web page, to make sure that the group is not already active on-campus.
2. Recruit a minimum of 2 executives that are students at Corpus Christi College, and 5 general members who are also students. Executive members must:
  - a. Be enrolled in full-time studies at Corpus Christi College
  - b. Complete Group & Club training once the group/club has been approved. To schedule, please contact Alexandria Fung: [afung@corpuschristi.ca](mailto:afung@corpuschristi.ca)
3. Print, fully complete, and return this form to the mailbox of Alexandria Fung, at the Welcome Center on-campus.

Once your application has been reviewed and approved, you will be notified that the group and club status has been granted.
