

Corpus Christi College for Student-Athletes

Football athletes (and other athletes at a coach's discretion) selected to be part of a UBC Varsity reserve or practice roster ("red shirt") now have the option of attending Corpus Christi College, located just steps from the UBC Campus.

If a student enrolls at Corpus Christi College and registers in one UBC course through UBC Access Studies, they are eligible to try out for select practice roster or red shirt teams.

BENEFITS OF ATTENDING CORPUS AS A STUDENT-ATHLETE

We're just steps from UBC, so our students can easily integrate into the UBC community by:

- Taking courses at UBC (through Access Studies)
- Joining UBC clubs
- Taking advantage of UBC support services, such as the Learning Commons,
- Becoming familiar with campus life

PROGRAM FLEXIBILITY

Corpus Christi recognizes these secondary school programs.

- **Online Option:** Students can take online courses
- **Rolling, Year-Round Admissions:** Students can start studies in any term, and take courses throughout the year, including summer
- **Transferable Courses:** Students can take transferable courses to allow for transfer between programs

SCHOLARSHIPS

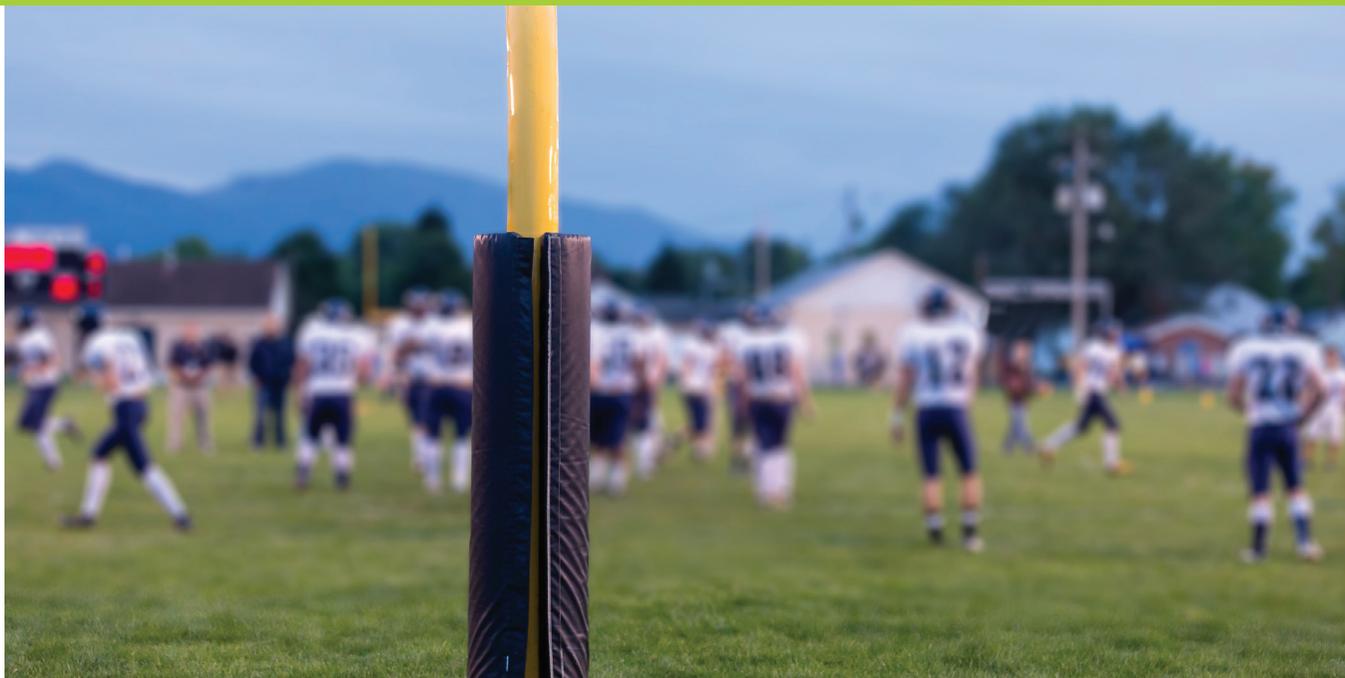

Corpus Christi offers a full range of scholarships, bursaries, and grants. Students are also eligible to apply for government student loans. Student-Athletes can apply for all the same scholarships, bursaries, and grants as other Corpus students. *[REFER TO SECTION on Scholarships]*

STUDENT HOUSING AT UBC

If they apply early Corpus students have the opportunity to live at St. Andrew's Hall or Carey Centre. Single rooms, studios, one-bedroom apartments, and quads are available. *[REFER TO SECTION on Housing]*

Our campus is only a short distance to UBC fields (less than 10 minutes to Thunderbird Gym).

WHY IS CORPUS CHRISTI A GOOD START FOR UBC ATHLETES?

We support our students with a seamless transition from high school, tangible resources, and skills building:

- **Small classes:** Our average class size is approximately 20, and the majority of our classes have fewer than 35 students. This means professors get to know students by name, and are often able to offer one-on-one guidance.
- **Academic support:** Dedicated study space, peer tutors, and academic skills building offered by our Centre for Academic Development.
- **Dedicated advising support and program planning:** All of our students are assigned their own academic advisor for individual attention.
- **Fair warning:** If a student is struggling with a particular class, we have a system in place to provide an early warning that he or she may need more focussed support with organization, time management, academic writing, and other academic skills
- **Social support:** They can also access our Campus Life and Ministry team for personal, spiritual, and social support.
- **Flexible admissions and summer programs:** We offer year-round admissions and summer classes students can elect to take during summer training camp.

WHAT IS CORPUS CHRISTI COLLEGE'S CONNECTION TO UBC?

Full-time Corpus Christi College students can access many of the services and benefits UBC offers its students through automatic enrolment in the Student Success Program at St. Mark's College.

As St. Mark's College is affiliated with UBC, students enrolled in the Student Success Program become members of the UBC Alma Mater Society (AMS) and can participate actively in UBC campus life. They are eligible to opt into AMS Health and Dental coverage, receive a UBC Library Card and Compass Card transit pass, and can join UBC intramurals and clubs.

They can access UBC facilities like the Student Union Building and Aquatic Centre, as well as UBC's Student Services like Student Health and Counselling, and the Disability Resource Centre.
