PRESIDENT'S MESSAGE

INSPIRE LEARN TRANSFORM

The unveiling ceremony of the College Mace on April 25, 2024, included (left to right): Celso Boscariol, Chair of the Board of Directors; Michelle Chang, College supporter and long-time Board member; Dr. Gerry Turcotte, President; Chrystal Sparrow, artist and carver; Alec Dan, Musqueam speaker and ceremony host; and Brad Baker, Associate Superintendent of Indigenous Education with the BC Ministry of Education and member of the Squamish Nation.

Debra Sparrow designed and handpainted a traditional drum presented to Dr. Gerry Turcotte at the President's installation on November 25, 2022.

Dear Future Students,

It is my great pleasure to welcome you to the story of Corpus Christi and St. Mark's—two remarkable institutions rooted in a tradition of academic excellence, community, and lifelong learning. Together, as the Catholic Colleges at UBC, we have been shaping minds, nurturing leaders, and transforming lives for nearly a century.

St. Mark's College, marking 70 years of impact, is the Graduate School of Theology, where future educators, faith leaders, and community advocates deepen their knowledge and shape the world. With programs ranging from Graduate Certificates and Master's Degrees in Catholic Educational Leadership, Pastoral Studies, Religious Education and Theological Studies, St. Mark's is a beacon of faith and intellectual pursuit.

Corpus Christi College, celebrating its 25th anniversary, is a vibrant undergraduate Liberal Arts institution offering more than 100 courses across disciplines—including English and History, Religious Studies and Philosophy, Biology and Chemistry, Film and Business, and much more. Here, you don't just earn credits—you build a strong foundation for your future. Our fully transferable courses provide the first two years of a university degree, leading to an Associate of Arts Degree or university transfer. From Corpus Christi, students can seamlessly transition into 2nd and 3rd-year standing in programs at UBC, SFU, and hundreds of universities across Canada and beyond.

At Corpus Christi, our exceptional faculty, our small class sizes (averaging 25 students), and a wide range of scholarships and bursaries ensure that you receive a deeply personalized and high-quality education. Our students benefit from an **affiliation with UBC**, granting access to world-class libraries, recreation facilities, and campus life, while enjoying a close-knit, supportive environment.

What further sets us apart is our unwavering commitment to service, leadership, and innovation. From championing Reconciliation with the unveiling of a breathtaking Musqueam-designed College Mace to making a global impact—like winning the **Best Undergraduate Award** out of 1,700 universities at **Oxford University's Map the System** competition—our students don't just learn; they lead. Whether volunteering at The Door is Open or tackling real-world challenges on the international stage, our students are changemakers from day one.

We champion dynamic course programming, offering opportunities like **Showbiz**, which blends business expertise with the dramatic arts, communications, marketing, and film—allowing students to craft an education as unique as their ambitions. Leadership development is also at the heart of what we do. The award-winning **INSPIRE Leadership Certificate Program** fosters leadership skills and global citizenship. At **Corpus Christi – St. Mark's**, you're not just preparing for the future—you're shaping it.

As institutions rooted in the 2,000-year-old Catholic Intellectual Tradition that pioneered the very concept of universities, we honour our heritage by creating an inclusive and forward-thinking space that is **open to all**, where every student is known, valued, and empowered.

To our future students: **your journey starts here**. At Corpus Christi and St. Mark's, you're more than just a number—you are a name, a voice, a future leader. We can't wait to welcome you into this extraordinary community.

See you soon,

Dr. Gerry Turcotte

HISTORY & LEGACY

VISION FOR HIGHER EDUCATION

CELEBRATING ALMOST 100 YEARS OF POST-SECONDARY EDUCATION!

Catholic higher education in British Columbia is a tale of unwavering dedication and inspirational milestones. It all commenced with a visionary spark in 1916 when President F.F. Wesbrook of the University of British Columbia (UBC) extended a heartfelt invitation to Archbishop Casey, forging a foundation of goodwill between UBC and the Catholic Church.

Over the years, the dream of a Catholic college gained momentum, finally crystallizing in 1956 with the birth of St. Mark's College. It blazed a trail by becoming an affiliated theological college within UBC, setting the stage for Catholic higher education within a secular university. The partnership between St. Mark's and UBC saw Basilian Fathers imparting their wisdom across various departments, fostering a harmonious blend of faith and academic excellence for over **70 years**.

In 1999, Corpus Christi College added a vibrant chapter to this narrative on the UBC campus as a beacon of Catholic Liberal Arts education. Sharing resources and facilities with St. Mark's College, Corpus offers students an extraordinary fusion of academic brilliance and spiritual enrichment. For over **25 years**, our unwavering mission to nurture faith, knowledge, and character has blossomed, leaving an indelible mark on the higher education landscape of British Columbia. This story is a testament to the power of dedication, partnership, and the pursuit of excellence in education.

A LIBERAL ARTS EDUCATION

CONSTRUCTIVE THINKING, PROBLEM-SOLVING, CREATIVITY, AND EFFECTIVE COMMUNICATION: THESE ARE THE TOOLS THAT TRANSFORM A COLLECTION OF FACTS AND FIGURES INTO A WAY OF UNDERSTANDING THE WORLD.

We offer courses in a range of disciplines such as arts, business and science, grounded in a liberal arts approach to education. The curriculum challenges you to learn broadly and think deeply.

Instead of training for one narrow career path, you can develop the knowledge and skills to succeed in any walk of life.

You will benefit from close faculty-student interactions. Faculty encourage students to think across disciplinary boundaries in innovative ways—inside and outside the classroom.

Students are not just learning with the goal of completing a degree or achieving a job—they are understanding how to learn for a lifetime.

“What makes Corpus Christi College unique? It’s a place where you matter; your perspective, your creative expression, your growth—both intellectually and personally—matters here.”

Choosing Corpus for your first year of university or beyond is choosing a small, supportive, and engaging community of learners.

It is also choosing the flexibility of a liberal arts education - one that will challenge you to critically and creatively engage with texts, contexts, ideas, and innovations that shape our world.”

"I have achieved more in four years than I could have ever imagined. Corpus Christi has been a cornerstone of my development as a Catholic and young business professional. Corpus Christi's focus on developing the whole person has proven crucial to my outlook on and purpose in life.

Corpus Christi challenged me to have a "my life is not about me" mentality and view every situation and challenge as an opportunity to serve those around me. The Circle of Fellows Scholarship enabled me to receive a formative education in years one and two of university while pursuing vigorous extracurricular activities, all of which culminated in me landing a job as associate advisor at a firm that utilizes every aspect of my formation as a Catholic, coursework in business and finance at Sauder, and servant-leader experience in my community.

Overall, Corpus Christi provided me with a launchpad into not only my faith, but also my career, new friendships, and a world of opportunities."

Master foundational skills in mathematics and economics while gaining a solid understanding of business ethics on your way to becoming an entrepreneur or business leader.

Develop foundations in business and commerce with the best educators and courses that are directly transferable to top universities.

1st and 2nd year business transfer students can develop their personal profiles and resumes through the many services and opportunities at Corpus Christi-St. Mark's.

"It is clear that everyone in the community is connected, almost like a home away from home. One experience, in particular, that really made me feel that sense of comfort and community was just a few weeks into the semester when I had a short chat with one of the Enrolment Services officers.

It was not something that was planned or expected; I had never even met her before but I really felt like I was catching up with a good friend. It was so heartwarming to have such a genuine and fun conversation with someone in the college and, since then, I've come to realize that there are so many people who are just as welcoming and understanding."

• BACHELOR OF ARTS DEGREE IN THEOLOGY AND CULTURE

UBC GRADUATE, BACHELOR OF EDUCATION

“Prior to coming to Corpus Christi-St. Mark’s, I attended the University of Waterloo for mechatronic engineering. It was in a theology class that I realized I was in the wrong field, and made the best decision of my life: to come here and grow in my faith journey alongside mentors who truly cared about my aspirations and pushed me to grow in ways I never imagined.

It felt as if a light had been turned on for me in the darkness and I have truly never looked back. My time at the College has been one I am incredibly thankful for and have loved every moment of.”

Our Bachelor of Arts Degree program, offered through St. Mark’s College, is more than just an education; it’s a versatile stepping stone to various career paths.

The program’s concentration in “Theology and Culture” investigates the rich tapestry of faith traditions within the broader context of philosophy, history, politics, sociology, psychology, literature, and more. It encompasses essential topics like human rights, identity, belonging, inter-group dynamics, and coexistence in our multicultural society.

Upon graduation, students are well-equipped for diverse career opportunities. They can pursue paths in aid work, policy analysis, education, journalism, public service, social work, non-profit organizations, pastoral care, youth work, social entrepreneurship, cultural affairs, public policy, social justice, immigration, English Language Learning, and more.

INSPIRING LEADERSHIP OPPORTUNITIES

BUILD YOUR PERSONAL & PROFESSIONAL PROFILE

We are here to educate and inspire you.

“The role of a leader is not to come up with all the great ideas. The role of a leader is to create an environment in which great ideas can happen.”

- Simon Sinek, *Start with Why: How Great Leaders Inspire Everyone to Take Action*

“The WHY” is what motivates young people to engage as leaders, community members, and employees. We provide the opportunities so you can discover your WHY - the guiding compass in your life.

The programs and opportunities at our school are all about “inspiration.” Our goal is to help you become a purpose-driven leader with a powerful voice. We firmly believe that anyone can make a meaningful difference; they only need the chance to do so.

Our events, ranging from TEDx-style talks to engaging roundtable discussions like our “Changemakers” series featuring prominent leaders, artists, and philanthropists, provide valuable spaces for students to be challenged and learn from the wisdom of others.

Through initiatives like “Speak Your Piece,” students take ownership of relevant cultural and social issues, honing their ability to express their thoughts confidently.

Our experiential learning programs, including local and international trips, enable students to volunteer, serve, and collaborate with non-profit organizations, ministries, and educators. These experiences broaden their horizons and provide real-world insights.

“Why wait for the perfect moment or the right circumstances to arise? Now is the time to take charge, create change, and contribute to your community. By embracing this challenge, you’ll discover that your potential knows no bounds, and you’ll be pleasantly surprised by what you can achieve.”

- Gabriel Pillay, Dean of Students; Executive Director of Strategic Affairs, Founder of the Award Winning INSPIRE Leadership Certificate Program

INSPIRE LEADERSHIP CERTIFICATE PROGRAM

Some were meant to lead. You were meant to INSPIRE. Inspirational leaders were not just born that way. They benefited from training and opportunities to gain experience for effective leadership in their communities and chosen careers. The INSPIRE Leadership Certificate Program gives students the chance to begin that training now.

We help students learn about leadership, become tomorrow’s leaders today, and challenge themselves to reach their potential in every aspect of their lives with opportunities to develop concrete leadership skills and apply them effectively in their studies, community volunteering and future careers. It is a non-credit program available to all students. Scholarship funding for the program is available.

INSPIRE LEADERSHIP CERTIFICATE PROGRAM

"We all desire to inspire change, whether it be in the world or simply in our own lives. This program provides the tools and motivation needed to do both. I learned I could become a bold, impactful leader. I was introduced to a number of volunteer and employment opportunities. The INSPIRE leadership program is for anyone aspiring to make positive change, reach their goals, and become strong leaders in their community."

SERVICE LEARNING AND VOLUNTEERING

EXPERIENTIAL LEARNING—WHERE HEART, MIND, AND HANDS CONNECT

LOOKING BEYOND THE CLASSROOM AND TO THE WORLD

Our academic community comprises individuals of all backgrounds and faiths and we are rooted in the rich Catholic Intellectual Tradition, where we inspire and challenge students to look beyond the classroom. Here, you will discover how your professional aspirations interconnect with personal ethics, values, and community engagement.

At our school, you can:

- serve with local organizations such as Habitat for Humanity, the Door is Open soup kitchen, and UBC Farm
- ask the big questions and develop personal faith in a supportive environment
- learn to articulate your views on ethical issues through debates and conferences

Whatever your passion, we will help you to discern life's purpose, and prepare you to generously share your gifts and talents with the world as a responsible and compassionate human being.

"At Corpus Christi-St. Mark's, we are open to new ways of teaching that engage students with divergent backgrounds. One important model for education is experiential learning. This follows the common sense of the old saying: 'Tell me and I will forget; Show me and I will remember; Involve me and I will understand.'

Several of our courses regularly involve field work of some kind: Geology, English, History, and World Religions. Social Justice in the Downtown Eastside is housed at the Door is Open."

BUILDING LEADERS IN SOCIAL AND ENVIRONMENTAL CHANGE

Map the System is a global competition in “systems thinking” where students are asked to think differently about social and environmental change. Participants select a social or environmental issue, conduct research, and present the issue in a way that people can share and learn from.

Corpus Christi College has competed regularly and made it into the Oxford University Global Finals twice.

In 2023, our team was TOP 4 in Canada, TOP 17 of 1,000 teams globally. In Oxford, UK, the team was awarded the Undergraduate Excellence Award.

Map the System has over 60 universities spanning 27 countries and representing over 80 nationalities participating each year.

“It was a pleasure to watch Corpus Christi compete this year. It was remarkable how much thought, effort, design, and communication was put into their submission. It was phenomenal and gratifying see that level of analysis in the competition.”

- James Stauch, Executive Director, Institute of Community Prosperity, Mount Royal University

“I was really impressed with Corpus Christi’s work!”

- Peter Drobac, Director of the Skoll Centre for Social Entrepreneurship, Saïd Business School, University of Oxford

STUDENT LIFE

YOUR LIFE OUTSIDE THE CLASSROOM IS AN IMPORTANT PART OF THE STUDENT EXPERIENCE

The extracurricular activities that take place outside of the classroom are what make life fun, interesting, and memorable.

The office of Campus Life & Ministry supports students by creating events, promoting service learning programs, and encouraging students to engage in leadership through various clubs at the college and in association with UBC.

Students can also access many of UBC's student services through the AMS (Alma Mater Society) of UBC and UBC Recreation. These programs and events are readily available to students and allow them to gain a fuller experience of college life and greater success in their academic work.

CAMPUS MINISTRY

NURTURING FAITH IN A SUPPORTIVE COMMUNITY

Students are encouraged to have a balanced life mentally, physically, emotionally, intellectually, and spiritually. We believe that faith is not confined to the chapel; it is lived out through acts of service and social justice.

You will have opportunities to ask questions or grow in your faith on campus through daily services (mass) at St. Mark's College Chapel and events sponsored by St. Mark's Parish, the Centre for Christian Engagement, Campus Life & Ministry, and UBC's Chaplaincy.

Here, we embrace the rich traditions of our Catholic heritage and are proud to offer a vibrant program that enriches the lives of our students, provides a source of spiritual guidance, and delivers a hub for compassionate service.

Faith is not an abstract concept but a lived experience, and we invite students of all backgrounds to join us on this spiritual journey.

"I have friends who do not go to church and others that do. My faith is a priority in my life and I love being at Corpus because on campus I can make time to connect with God daily at mass. Our campus minister has been great at creating community for any student on campus."

- Ben, Corpus Christi Student

GERARD GARCIA
Campus Minister

You can also connect with the UBC Chaplains, who provide spiritual care for students of many faiths including Buddhist, Muslim, Jewish, Bahá'í, Anglican, Baptist, Brethren Tradition, Pentecostal, Presbyterian, and United Churches.

ACADEMIC ADVISING & STUDENT SERVICES

THE SUPPORT WE PROVIDE LEADS TO STUDENT CONFIDENCE

You will have opportunities to train, network, and be mentored by industry professionals while attending our school. Leaders and professionals from established businesses, healthcare, film and media, and international non-profits, are all part of our network.

Our doors are always open, even after you graduate or move on to your next university. Alumni return to not only connect with our advisors for support and encouragement, they return to connect for opportunities for engagement, service, volunteering, and networking.

“Corpus Christi College was the best choice for me. I found my confidence again and excelled as a student being here.”
